

Love Grace - Handbag Appeal

Do you have a new or nearly new handbag you no longer use?

Grace Millane was tragically murdered whilst travelling in New Zealand in December 2018. Our Grace loved a handbag and in her name we are collecting handbags and filling them with useful items for women in need at a local refuge.

Every little helps, please use the list below, to fill a bag with any items you are able to donate. We are trying to make sure that every bag contains each item from the basic list and then a few from the extra and luxury items. If you don't have a bag, please pop your items into a carrier bag and we will add to the bags we receive.
